

The Brandon Woodworkers Club

The club is an organization of men and woman who are devoted to increasing their skills in woodworking and a desire to share the common bond of friendship and knowledge. If you have a desire to meet and talk to other woodworkers, with experience at all levels, you are invited to attend one of our meetings. Meetings generally include a program that is of interest to all, including a guest speaker as well as a show and tell segment of our members' projects. Announcements of special interest concerning our hobby are welcome and encouraged.

Experience at all levels, means exactly what it says. We have members that are beginners and some don't have a shop as yet, we also have intermediate and advanced woodworkers. Some of our advanced members have been featured at the Florida State Fair. No matter what your level of skill is, you will feel at home in our club.

You will experience the common bond of friendship, the sharing of ideas and gain knowledge. These are precious tools that never wear out. We encourage you to experience the pleasure and satisfaction of adding these tools to your present skills. We endeavor to keep our meetings very informal and encourage all members to participate in our group discussions. We also encourage our more advanced skilled members to help our beginners.

Meetings are held on the second Tuesday of the month, 7:00 PM at the Brandon Junior Women's Center, 129 North Moon Ave. in Brandon, Florida. Our annual dues are \$25.00 per year. Contact Frank McMullen, Membership Chairman 813-633-3886 for further information or directions to the meeting place.
