Brandon Workers Club Newsletter for April 2015

Presidents section

Greetings Woodworkers,

The meeting was called to order by Ruth East at 7:00 p.m. She made sure our guest had parked in the correct place to avoid a tow away. We had several visitors and new members in our April meeting.

Membership:

We have 47 paid members and included in the 47 are 3 new members tonight in attendance. Welcome to our 3 new members Bill Reasoner, Bill Pruneda, and David Jones.

Dues are \$25.00 per year family membership. See Frank to join.

Library:

Terry Sanchez was given a new book to add to the library. The name of the book is *Saw Dust & Footprints* authored by our very own member Vernon Blackadar. Many thanks for the book and congratulations on your new career.

Terry reminded everyone that members can check out media and return it the following month.

Newsletter/web site:

Bill Dixon was present and wanted to be sure everyone is receiving their emails and newsletters. We got the newsletter out a week earlier in April. Everyone seemed to like getting it earlier, so we will endeavor to continue that policy.

Fair Report:

Art Falcone reminded us to get started on next year's entry for the fair, never too soon to get started. A rule change was also made, items made in prior years that

have never been entered for judging can be entered.

A new category has been opened for judging "String Musical Instruments"

More on this later!!!
