Presidents section

Greetings Woodworkers, President Ruth East brought the meeting to order at 6:30 PM and welcomed everyone to the August meeting. We had no visitors tonight.

Membership:

We have 51 paid members. Dues are \$25.00 per year for a family membership. See Frank to join.

Library:

John reported nothing new with the library.

Newsletter/web site:

Bill Dixon reported nothing new with the newsletter.

To view the web site hold down your control key on the key board and left click the following link.

Fair Report:

Art said there was nothing new to report for the fair. Art met the new lady in charge of the building we have the wood working displays during the fair. She is from the agriculture dept., and

doesn't have any records from the past years. She doesn't know who is in charge of anything. Art and Tom will be meeting with her to get stuff in order. The judge still hasn't been selected, and this includes the string instruments new category added last year.

Art did ask all members to start preparing for next year's fair and start working on your projects NOW!

There was no old business.

New Business:

Frank McMullen's knife class is ready for students to sign up. See Frank for times and sign ups.

Are you are interested in ordering blades for knives? Talk to Frank McMullen about a collective order to receive a considerable discount.

Our Christmas Party will be at Golden Corral Dec 13 2016 at 6:30 P.M.

With our fun filled Chinese gift exchange.

Should we go back to a 7:00 start time? Art is concerned about low attendance in the past couple of months. It was suggested that we wait until October to re-evaluate; summer months are typical times for people to go on vacation.

Bruce has a field trip to HL&M (hardware, lumber, and millworks) in Lakeland planned for Saturday.

Those interested in going on the excursion, contact Bruce Woody.

Buy Sell or Trade:

Rick Ward has a small size bench top drill press.

Butcher block and cabinet doors, magazines, and a Ryobi table saw

Wanted: a lathe. Please contact Holly Bentley

Send Bill Dixon an email describing what you want to sell and pictures if possible.

Refreshments:

Snacks were provided by John Sheldon. Thanks John you are doing a great job with both projects.

Programs:

The program for tonight was our own Bill Reasoner demonstrating making wooden screws. Bill is going to demo how to start wood screw and thread making and a live hands on project for volunteers. So we will be literally screwing around.
