## Brandon Workers Club Newsletter for February 2016

### Presidents section

Greetings Woodworkers, President Ruth East welcomed everyone to the February meeting. We had 2 guests at the meeting tonight. They were Ron Cruze and Gladys Harris.

I want to give a warm welcome to 4 new members, they are Brian Lane, Maurice Mullinax, Andre Corriveau, and Edwin Perine

### Membership:

We have 32 paid members. Dues are \$25.00 per year family membership. See Frank to join.

### Library:

John was not here but it was set up by Scott East and put away by Terry Sanchez.

### Newsletter/web site:

Bill Dixon reported nothing new with the newsletter.

However the club was invited to a face book group of Wood workers from around the state.

I am including the email below I received from the group.

Just wanted to make you and your club aware of a

group a few fellow woodworkers in Florida started on Facebook to share ideas, projects, and such via the social media platform. We're hoping you'll pass this along to your members and any using Facebook will join us to make for a vibrant Florida cross-state woodworking community.

This is NOT a club, there is NO fee, or anything like that. It's just a basic Group on Facebook. All woodworkers are welcome to join us.

## Fair Report:

Art reported his appreciation for the members that volunteered in the fair and also those that had entries. He won best of show for his entry.

Jim Ethington thanked everyone for the support of the new stringed instruments category. Ribbons were won in this category as well.

There were lots of awards handed out to our members and we will have an accounting from Art in the near future.
