Brandon Workers Club Newsletter for June 2015

Presidents section

Greetings Woodworkers,

The meeting was called to order by Ruth East at 7:00 p.m. She made sure our guest had parked in the correct place to avoid a tow away.

There will be a Military service for Lloyd Hart at 2:15 P.M. July 31, 2015 at the Bay Pines Military Section in St. Petersburg.

All are invited to attend.

Membership:

We have 46 paid members and 1 new member tonight in attendance. Welcome to our new member Ray Landers.

Dues are \$25.00 per year family membership. See Frank to join.

Library:

Terry Sanchez has obtained a book on small furniture, tips, techniques, and short cuts. He also has 10 DVDs new to us on wood finishing.

Terry reminded everyone that members can check out media and return it the following month.

Newsletter/web site:

Bill Dixon said that anyone using the Chrome browser to view our web site will

encounter an error on the home page concerning the slide show that is on the home page. For some reason Microsoft's browser (Chrome) decided to stop supporting the plug-in we use to play the slide show. If you use any other browser it will display and play the slide show just fine.

I want to thank Ruth, Holly, Bruce, and Frank for their input to the newsletter.

Fair Report:

Art Falcone reminded us to get started on next year's entry for the fair, never too soon to get started.

A new category has been opened for discussion by the fair committee for judging "String Musical Instruments"

A local wood worker has agreed to be the judge for 2016 fine furniture judging. It is Sean McKenzie and he has agreed to take what the fair pays for judges.
