This subject was covered by emails sent to the club members after the June meeting, hope some members took advantage of free wood.

## Programs:

Our guest speaker for the night was Steve Jackson, general manager of the Woodcraft store in Clearwater. He introduced several neat tools from the store to us. Fielded questions and gave everyone their new catalog.

The Program Chairman is now Jason Borthwick thanks Jason.

The July program will be Andrew Gibson from Infinity tools he will provide a 1 HR demo at the July 12th meeting on the subjects below:

A demonstration on tendering and talk about the differences between the wedged tendons Jason did on the coffee table with coped shoulders, and the wedged tendons Jason did on

his dining table and add in a bit on blind wedged tendons, those are always fun.

He will also have photos of these for the projector and make up some samples.

He may also throw in a little "what's on the bench" currently.

## Show and Tell

We had 6 entrants and \$15.00 went to Art Falcone and \$10.00 went to Bill Reasoner. Congrats guys!

Bill shows us the toy wood working bench he made for his son.

Mark played a little tune on the guitar he just finished, made from spruce & maple.

Ruth shows us the horse head she scrolled sawed from mahogany and added a birch plywood to the back.

Bruce is holding a vase he turned using walnut, magnolia and macadamia nut wood.

Charlie is holding 2 of many toy animals that he and Dave and Tim cut out for the toy drive. Charlie assembled them and the other 2 guys cut them out of the wood.

Art is holding a dizzy bowl he made from many different kinds of wood.
