Brandon Workers Club Newsletter for May 2015

Presidents section

Greetings Woodworkers,

The meeting was called to order by Ruth East at 7:00 p.m. She made sure our guest had parked in the correct place to avoid a tow away.

As everyone should know by now long time member Lloyd Hart passed on because of his cancer. He was 84 years old this year. At Lloyd's request, there will not be any public services. His boys are all from out of state, and are going to try to all be here at once. He was cremated and will be interred at Bay Pines

military field. He served in the navy.

Membership:

We have 45 paid members and included in the 45 are 3 new members tonight in attendance. Welcome to our 3 new members Bill Reasoner, Bill Pruneda, and David Jones. Dues are \$25.00 per year family membership. See Frank to join.

Library:

Terry Sanchez was given five books donated by Charles King to our library.

Terry reminded everyone that members can check out

media and return it the following month.

Newsletter/web site:

Bill Dixon said we got the newsletter out a week earlier in April. Everyone seemed to like getting it earlier, so we will endeavor to continue that policy.

Fair Report:

Art Falcone was not at the meeting. Ruth reminded us to get started on next year's entry for the fair, never too soon to get started.

A new category has been opened for discussion by the

fair committee for judging
“String Musical Instruments”

More on this later!!!
