Brandon Workers Club Newsletter for September 2014

Presidents section

Greetings Woodworkers,
It's October already – how time flies when we're having fun or is it just because we're getting older? Sorry I missed the Brandon Woodworkers' September meeting but my wife's 50 year reunion of her school of nursing was the weekend before in Illinois.

I want to thank Art Falcone for running the meeting and congrats to Charlie Mays for winning the Clock contest. I would also like to thank Andy Gibson from Infinity Tools for his presentation on Infinity.

The October meeting of the Brandon Woodworkers will be on the 14th at 7:00 p.m. at

the Brandon Women's Club. I will be making the presentation that evening on Bowl turning.

The Fine Handcrafted Furniture committee for the State Fair has finally met and established the rules for next February's competition.

The only changes are that rule the submissions must have been completed within this year has been waived as long as the piece has not been previously submitted, and the limit of two (2) pieces per class has also been waived. Deadline for submitting the entry forms with fee(s) is December 15th. The State Fair opens February 5th and the entries for Fine Handcrafted Furniture must be submitted Friday, January 30th from 10:00 a.m. to 6:00 p.m. or

Saturday, January 31st from 10:00 a.m. to noon. The judging will be Saturday afternoon and is private. The critique by the judge will be Sunday morning, February 1st, starting about 10:00 a.m. and is open to the public. It is an excellent learning experience even if you do not have a piece entered.

The Florida Woodturning Symposium is January 9th thru 11th at the Lake Yale Baptist Conference Center just outside Leesburg. Guest presenters will include Alan Lacer, Trent Bosch, John Jordan and Bob Rosand. It is a great learning experience for all wood turners. More information and registration see:
