

## B.W.C Brandon Wood Working Club May 2012 Newsletter

**Greetings Fellow Woodworkers,**  
Vice President Art Falcone opened the meeting at 7:03 PM. Our president is attending a baseball game that his grandson is playing for high school state semi-finals.

We had 2 guest tonight Dave Harrison who is now scrolling right along. Marshall who met us at the State Fair has built a shed shop and a book shelf was one of the first products.

### **Membership**

We have 27 members this month. Don't forget to see or mail Brady your dues for this year. Dues are just \$25.00 for a family membership.

### **Library Report**

Terry says he has no more room in the library - needs another cabinet but we have exceeded the Women's club size allowance already. This needs to be resolved somehow. This is a subject for a future meeting.

### **Treasurer's Report**

Brady gave the Treasurer's Report as follows:

Treasurers report for May:

Beginning balance	\$893.93
Dues	\$ 0.00
Income: 50/50	\$ 13.00

Expenses:

Rent	\$20.00
Refreshments	\$18.00
Gift Card	\$10.00
Badges	\$ 5.91

Ending Balance	\$ 853.02
----------------	-----------

### **Toy Report**

Chuck was not at the meeting this month no report.

### **News Letter**

There is nothing new with the News letter.

### **50/50**

Terry subbed for Art since Art was running the meeting tonight. Terry sold 26 tickets for the 50/50 and Jim Williams was the winner of \$13.00.

### **Show and Tell winner:**

The winner was Wes Martin.

Wes won a gift card

### Web Site:

Bill reported the web site is up to date and can be accessed from the link below.

### Fair Report:

Art reports nothing new for the fair report tonight.

### Old Business:

Lactation Stools for Brandon Hospital there are 21 or 22 needed. Tim was going to check on material from Hospital. The hospital will supply the wood and Tim will coordinate that effort to obtain the wood. Tim was not in attendance tonight, he has caught a nasty virus going around that gives you bronchitis. So he will let us know when we can get the material to build the stools after he feels better. Clocks are available to pick up for the clock contest coming up soon.

### New Business

Bill Dixon suggested we have a prize - or prizes for the winner who made the most toys at the end of the year. Art suggested we bring it up in Old Business next week. We discussed the need to buy wheels. We have the money and will vote on it next meeting.

PROGRAM NOTES: Christmas ornaments contest for November meeting prepare to bring in anything

suitable for Christmas  
Decorations made from wood.  
June's Program:

### Refreshments

John Shelton, again, provided a great selection of goodies.

### Program

The 2X4 contest was the program for tonight the pictures are below.

The winners were Terry for the first prize. Lloyd took second place and Bruce Woody took third place. They received a gift card.

### June Program

**A different format read the blue text.**

**The June program is shaping up very well and is quite full already.**

**Frank will set an order and a time for each presenter, we will take care of any pressing business in the first ten minutes or so.**

**The normal show and tell will not be on the program this month. So save your show and tells for the July meeting.**

**We will have our normal break with John bringing refreshments.**

**Frank will donate all of the baked goods he brings to be given as prizes in a special**

**50/50. We can combine it with the normal 50/50 and just keep drawing winners until everything is gone. Frank will have enough stuff broken into reasonable portions to have at least 10 -12 “winners”. Members bring a little extra money for the 50/50 as there will be lots of goodies given out with drawings of 50/50 tickets. There will, of course, be bread(s), and also cookies, cheesecake and possibly one or two other items. We have at least seven participants as of now and the number may still be growing.**

**BUY/SELL/TRADE**

Frank has (2) XL and (5) Large Brandon wood workers T-Shirts left. Maybe some of our new members would be interested. They can email Frank or call and he will bring them to the June meeting. They are \$11.50 each.

Jim Williams is selling all his tools. Band saw, drill presses, table saw, biscuit joiner, planer, etc.

He does not want to keep his shop going. He can be reached @ 813-689-2481

Rick Ward has a friend who is selling a building and tools for \$4,000.00 Buy ALL only.

Art still has his saw, but he might keep it now.

**Program Pictures**

Terry's 2X4 entry, this used to be a 2X4 standard 8' construction grade. Terry sure has a vivid imagination. It won first prize in the contest.

There is our chef showing his prize winning entry for the contest

Lloyd brought in these toys made from a 2X4 for the contest. He took 2nd place in the contest.

Here Lloyd is pointing out the different styles of toy cars he made for the 2X4 contest.

This is Bruce's entry and it is a sturdy stool. I and several others tested it out and it passed with flying colors. Bruce won 3rd place in the contest.

### **Show and Tell**

We had seven participants in Show and Tell. Our winner of the random drawing was Wes Martin

Close up of the giraffe that Wes made

Wes is showing us his giraffe he made with his new scroll saw.

Close up of the ribbon handle box that Bill made

Bill is holding the ribbon handle box he made. It is made from maple, purple heart, aspen, and ebony inserts at the corners of the box

Close up of Franks cutting board for bread. Notice the built in magnetic holder for the knife. Nice way to store the sharp knife waiting for use on a loaf of bread

Here Frank is giving us the hi-lights of constructing his bread cutting board. Made from recycled rose wood flooring, maple ,cherry, and blood wood. He also made the bread knife he is holding.

Shadow box that Michael made from pine wood

Michael is showing us his shadow box made from pine wood. Michael finished this piece to make it look like ebony. It had a high gloss very smooth finish.

A very nice box to display family valuables

Rick has put his lathe to work lately. He made 3 pens from paduk wood and made a wood handle for the straight razor. The other item is a handle for a pen nip. He made this for a friend. He thinks the wood is ebony with some lighter shades within the piece.

A close up of his fountain pen he made.

Lloyd also brought in some neat puzzles he made from pictures of old cars

Lloyd describing how he made the picture puzzles for our toy drive

Close up of Charlie's pocket car toys

Charlie shows us one of many pocket toys he brought in for show and tell

Rick is holding a pocket toy car that does not require a scroll saw blade to be threaded through a hole to construct. It makes the cutout a lot easier.
