Nothing is new with the newsletter.

50/50

Art sold 38 dollars of tickets tonight and the drawing was won by Terry Sanchez. He got \$19.00 and the club got \$19.00.

Show and Tell winner:

Our show and tell winner tonight was randomly drawn, Dave Harrison was the winner. His show-and-tell entry was the nice puzzle trivet he scroll sawed.

Fair Report:

Art reminded everyone that the Fair deadline is Dec 15 which is a Sunday - so it just has to be post marked by that date. Bruce explained the various classes and competitions.

Old Business:

Charlie Mays showed lactation stool kits. He has 18 kits and asked for help completing them. This is probably the last of the oak chair rail from the hospital.

The President of the Women's Club came to apologize about the broken

back of our bookcase. We asked her if we could extend the bookcase upward - not to go above the height of the curtain rods. She will present to their Board and get back to us. The floors have been refinished and they are going to paint the walls and ceiling. She said they would grandfather our rental rate. December meeting will be at the Golden Corral for good food and fellowship.

We will also be doing our Chinese gift exchange. We have had a lot of fun in the past with this activity. To play you must bring a wrapped gift of something you have made in the past or a wood working tool.

New Business

Bruce suggested we form a steering committee to help the president.

The members of this committee will be made up of current president, 2 past presidents, and 2 members at large. The proposal was voted on and passed by the membership.

Refreshments

John Shelton, again, provided a great selection of goodies.

BUY/SELL/TRADE

Tim will sell his multi tool Shop Smith. There are also some

display cases for sale 2' X 3' X 3"
deep
